Illustrations, instructions, diagrams for step by step remove and install, assembly and disassembly, service, inspection, repair, troubleshooting, tuning. Brad Chapple08:01 26 May 22 Steve was great
to deal with, helped me with the parts I needed for my kubota import excavator when no one else was interested... massive thumbs up. hailey wildenburg05:09 05 Apr 22 Very helpful and great for dealing withToan Nguyen05:46 24 Mar 22 Good types, good advice and even earth Mark Henare07:56 18 Dec 21 Good product information readily
provided David McKinney22:44 06 Dec 21 We are based on the Cocos Keeling Islands (3500 km west of Australia in the middle of the Indian Ocean) and the reliability of our machines is our number one requirement. I have my machine back for me and the service was perfect. We also have all the machines served in Super Groups. So happy the fault
was resolved in terms of booking.
